Guide to Enrolling in the Luiss Summer School

This guide will take you step
by step through the enrolment
process for the **Luiss Summer School**.

Recommended

Complete the enrolment using
a computer (not a mobile device)

Important

 Remember to always save
your changes so you can resume
your application at any time

Before you start, please have ready:

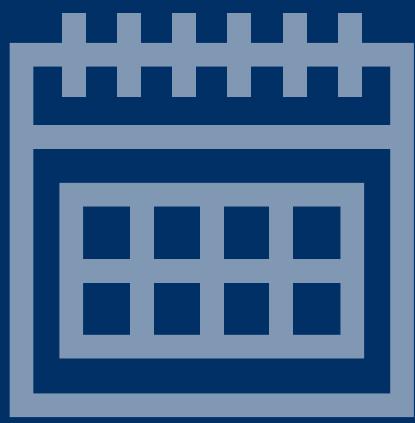

- The candidate's/student's identity card or passport
- An email address that you can access during the procedure
- A payment method

Enrolment is completed online at:
summerapply.luiss.it

Register and Create an Account

- | Click on “**Access/Register**”
- | Create the account using **the name of the candidate/student**
 - At this stage, you may use a parent’s email address if necessary
- | Complete the form with all required details and enter any discount code in the **“reference code”** field. For more information, see the **“Partnerships and Economic Discount”** section on the Summer School website

Choose the Summer School Programme

Select the correct programme based
on the candidate's/student's **school year**:

 Third-to-last year → Orientation 3

 Second-to-last year → Orientation 4

From the menu on the right:

- | Choose the week of participation
- | Carefully check the **language of the course**

Enter the Candidate's Information

Complete all required **sections**:
